

— ENRICHMENT CLASSES —

Stepping Into First

Grade K

Week 1 (June 18 - June 22)

This course is designed for children who have completed Kindergarten. Through enriching activities, children will reinforce readiness skills for both language arts and math in a fun and creative way. Reading readiness, handwriting, comprehension, story writing, measurement, time, money, and number functions are some of the topics that will be emphasized in this enriching experience. Hands-on games and projects will enhance our weekly activities. Limit - 18 students

8:45 a.m. - 11:00 a.m.

Instructor: Chrissy Ragg

Author & Illustrator Workshop

Grades 3-7

Week 1 (June 18 - June 22)

Calling All Authors, Illustrators and Cartoonists! If you are a writer and/or illustrator, this workshop is for you! All of the materials you will need to create the masterpiece of your choice will be provided. Just bring your creativity and sense of adventure. You may choose to create a picture storybook, a short novel, a comic book, or a graphic novel. Then, in September, you will present your work of art at your own personal Friday night story time at Barnes & Noble in Willow Grove. Enjoy a week of creativity and fun!

8:45 a.m. - 11:00 a.m.

Instructor: Georganne Hardin

Cookin' at Camp

Grades 1-4

Week 4 (July 9 - July 13)

Students will be given the opportunity to create appetizers, salads, main entrees, mini-meals, desserts, and snacks. Children will compile a cookbook of many recipes to take home at the end of the week. This hands-on course will cover safety tips in the kitchen as well as spreading the joy of cooking. Each student will receive an apron. Children will bring home their creations to share with their family.

8:45 a.m. - 11:00 a.m.

Instructor: Barbara Caffey

Lego WeDo

Grades 1-4

Week 5 (July 16 - July 20)

This fun program combines the popular Lego bricks with computer interaction. Children will build Lego models that can be attached to a computer with sensors and motors to create animated creations. Activities are arranged around four themes: Amazing Mechanisms, Wild Animals, Play Soccer, and Adventure Stories. Lego WeDo provides a hands-on, minds-on learning experience that actively involves young students. Come build with us.

8:45 a.m. - 11:00 a.m.

Instructor: Melinda O'Neill

Test Prep

Incoming 7th and 8th grade students

Week 1 (June 18 - June 22)

Interested seventh and eighth grade students will meet with Mr. McAuliffe for five consecutive mornings in a course aimed at improving their High School Practice Test Scores. Tips to help students make the best use of their time will be given, along with a strong focus on speed, math shortcuts, and a review of grammar rules. Nightly home assignments will be given, and the last day will include a sample practice test.

8:45 a.m. - 11:00 a.m.

Instructor: Terry McAuliffe
