Catholic Social Teaching

- The Handmaids serve the people of the Philippines in connection to the Catholic Social Teaching Principles of:
 - Life and Dignity of the Human Person
 - Rights and Responsibilities
 - Option for the Poor and Vulnerable
- These three teachings lead the Sisters to follow in Jesus's footsteps and motivate them to help in the Philippines because all people, especially the poor, deserve to have their basic human needs met and be treated with respect.

Our Prayer

Dear God,

Today we pray for our friends in the Philippines

For the people without shelter

For the people suffering from disease

For the people who cannot afford education

For the people affected by natural disasters

For the people who have passed away

Bless the sisters helping the Filipino children and young people. May we keep the people of the Philippines in our hearts and remember to pray for them. Amen.
