

BUS TRANSPORTATION 2019-2020 SCHOOL YEAR

Each summer the transportation departments from the local school districts schedule the bus routes for September. Ancillae-Assumpta Academy submits, in the beginning of June, a list of students that we anticipate will need bus transportation in September. **Any student who requires transportation for the school year 2019-2020 must complete the enrollment form below and return to school no later than May 5, 2019 to the attention of Meredith Finnegan or mfinnegan@ancillae.org.** Please note that students must be in Kindergarten before they are permitted to ride the Township buses. *(The Philadelphia School District requires students to be in first grade.)*
