

Ancillae-Assumpta Academy

# Summer Home Links

You and your child can follow this path through the summer months to help make each and every summer day count not only educationally, but in fun ways, too. The activities represent the many levels in our Montessori unit but with a little adjustment your child can enjoy these summer challenges. As an activity is finished, your child can color in a box. Enjoy your summer journey until we connect again in September!

# JUNE

Count to 100

Print the Alphabet

Name things that come in boxes

Make playdough  
1c flour, 1/2c salt  
1T cream of tartar
